

Music Day at Spittal School

Annie – I really enjoyed seeing and learning how to play the double bass.

Lilly – I enjoyed learning how to play the violin quickly with the bow.

Rafa – I was really surprised to find out that the violin bow was made out of horse hair.

Libby H. – I really liked holding the bow and learning how to play the violin.

Nicole – I enjoyed making different sounds with the violin.

Oenone – I loved blowing into the yoghurt pot musical instrument that Spike made. It sounded like a Viking horn.

Sophie B. – I liked learning how to play different notes on the violin.

Brody – I liked listening to Kath playing the music that we composed.

Libby K – I liked listening to Spike playing the double bass because it made loads of really deep sounds.

Billie Rose – I really enjoyed watching Darragh Morgan play his very expensive violin. He played Nicole's and Leah's song called 'Beach Waves'.
