

[Catherine Weetman](#) is an international speaker, workshop facilitator, coach and host of the [Circular Economy Podcast](#). She helps businesses, social enterprises and community groups to use circular economy approaches to build a better world. Catherine's award-winning book, [A Circular Economy Handbook](#), explains the what, why and how of the circular economy. The second edition, due out in November 2020, includes a new chapter on packaging, over 100 new examples, and many more updates.
